Spring

by Teresa Underwood

The air is cool, the breeze is light.
The clouds in the sky are fluffy and white.

The flowers open to show their bright faces,
as the garden snail alongside paces.

The trees unfold their bright green leaves.
The spider a silken web she weaves.

The birds sing their notes high and clear.
Cheer up! Cheer up! Spring is here!

Fun. Friendship. Fellowship

Happy Birthday & May God Bless You!
